## About Company

# MAZ

One of the largest enterprises in Eastern Europe producing heavy trucks, passenger, truck crane and trailer vehicles

**35**

thousands of pieces per year – production capacity

**>25**

thousands of persons working in BELAVTOMAZ holding's structure

**70**

years of stable and effective work throughout the world

Established August 9, 1944

**180**

subjects of MAZ commodity distribution network

**40**

countries of the world where supplies are implemented

# MAZ structure

- ① **MAZ**  
*trucks and passenger machinery*
- ② **Mogilevtransmash**  
*special machinery and trailers*
- ③ **Baranovichi Auto-Aggregate Plant**  
*steering gears, suspension parts*
- ④ **Osipovichi Plant of Automobile Aggregates**  
*cabin plumage, interior plastic, aluminum casting, seats*
- ⑤ **Blacksmith's Plant of Heavy Stamps**  
*frames, crankcase axles*
- ⑥ **Dzerzhinsk Experimental Mechanical plant**  
*metal frames, dump trucks platforms*
- ⑦ **Kletsk Mechanical Plant**  
*electric wiring, metal constructions*
- ⑧ **Automobile Trailers and Bodies Plant MAZ-Kupava**  
*trucks, special, tourist, trade trailers, , auto-wagons, booths, pavilions, special machinery*
- ⑨ **Agricultural Enterprise AgroMAZ**  
*agricultural production*
- ⑩ **BRESTMASH**  
*technological equipment for processing branches of agricultural complex, gas burners*
- ⑪ **VolMet**  
*light metals casting, metal treatment and coating, production tooling and industrial-technological goods*
- ⑫ **Grodno Mechanical Plant**  
*the production of different kinds of tanks, bins for all kinds of liquids transportation*
- ⑬ **TAIM**  
*brake installations and units*

## The enterprises of the full industrial cycle

Following plants are placed at the main area:

Casting Plant

Blacksmith's Plant

Instrumental-Stamp Plant

Mechanical Assembling Plant

Automobile Aggregates Plant

Press-Body Plant

Spring Plant

Thermal-Galvanizing Plant

Mogilevtransmash Plant

Truck-Assembling Plant

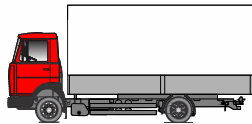

Bus Plant

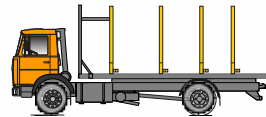

# MAZ PRODUCTION

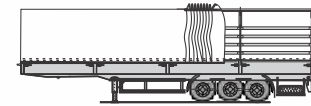

## MORE THAN 500 TRUCK MODIFICATIONS

side-board trucks, low-floor middle tonnage trucks

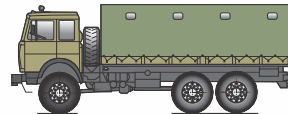

timber-carrying trucks, short loggers

more than 60 modifications of trailers vehicles

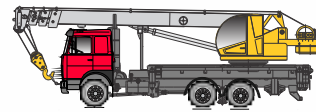

truck tractors

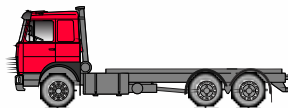

increased cross-country capacity trucks

dump trucks

truck cranes

chassis trucks for special equipment installation

special vehicles

passenger vehicles:  
- 15 bus models;  
- more than 30 modifications on their base

EURO 3  
EURO 4  
EURO 5  
EURO 6

# The model range of MAZ machinery

## TRUCK TRACTORS

4x2, 6x4, 6x6

### Engines

Mercedes-Benz, YAMZ,  
Cummins

### Capacity

from 269 to 435 h.p

### Transmission / Number of gears

ZF, Fast Gear / 9-16

### Suspension

spring-beam  
- pneumatical

### Fuel tank

up to 700 l.

### Height of tractor-adhesion device

from 1050 up to 1750 mm..

### Cabin Type

small; large with low roof  
large with high roof

Medium

Heavy

Extra Heavy

MAZ-5440

MAZ-6430

MAZ-6425

# MAZ Machinery Model Range TRUCKS

4x2, 6x4, 6x6, 8x4

## Engines

Mercedes-Benz, YAMZ, Cummins, MMZ, MAN

## Capacity

from 166 up to 435 h.p.

## Transmission / Number of gears

ZF, Fast Gear / 6-16

## Suspension

spring-beam

## Fuel Tank

from 130 to 500 l.

## Platform

П - form, U - form

## Platform Capacity

from 11,5 to 21 м<sup>3</sup>

## Technical carrying capacity

from 4 to 27 t.

## Cabin Type

small; large with low roof  
large with high roof

Light

Medium

Heavy

Extra Heavy

MAZ-4571

MAZ-5550

MAZ-6514

MAZ-6516

## MAZ Machinery Model Range Side Board Trucks

4x2, 4x4, 6x2, 6x4, 6x6

### Engines

Mercedes-Benz, YAMZ, Cummins, MMZ, MAN

### Capacity

from 166 to 435 h.p.

### Transmission / Number of gears

ZF, Fast Gear / 6-16

### Suspension

- spring;
- spring-beam;
- pneumatical

### Fuel Tank

from 200 to 500 l.

### Platform

with/without awning

### Platform Capacity

up to 56 m<sup>3</sup>

### Technical carrying capacity

from 4 to 14,2 t

### Cabin Type

small; large with low roof,  
large with high roof

Light

Medium

Heavy

Extra Heavy

MAZ-4371

MAZ-5340

MAZ-6310

MAZ-6317

## MAZ Machinery Model Range Trailer Machinery

Trailers, Semi-trailers  
(trunk, special,  
dump-truck, chassis,  
agricultural)

Trailer machinery for different  
cargos transportation in a  
caravan content,  
and also for special cargos

Production of  
Mogilevtransmash branch

MAZ-837310

MAZ-856103

MAZ-954700

MAZ-997700

## MAZ Machinery model range Passenger Vehicles

City buses of big, extra big, middle class

MAZ 206

MAZ 107

MAZ 215

### ENGINES

Mercedes-Benz, Deutz

### CAPACITY

from 177 to 420 h.p.

### TRANSMISSION

mechanical,  
automatic  
ZF, Voith Diwa, Allison

### SUSPENSION

pneumatical

### NOMINAL CAPACITY

from 67 to 176 person

### CONSTRUCTION

low-floor

### BODY TYPE

carrying, tram composition

## MAZ Machinery Model Range Passenger Machinery

### ENGINES

Mercedes-Benz, MMZ,  
Cummins, MAN, Deutz

### CAPACITY

from 170 to 360 h.p.

### TRANSMISSION

mechanical,  
automatic  
ZF, Allison, Fast Gear, Voith Diwa

### SUSPENSION

pneumatical

### NOMINAL CAPACITY

from 22 to 122 pers.

### BODY TYPE

carrying, tram composition

### FUEL TANK

from 190 to 510 l.

Tourists buses of suburban and special buses big, small class

MAZ 241

MAZ 251

MAZ 171

## MAZ Machinery Model Range Trolleybuses

**Tractional electro-engine:**  
from 170 to 250 kWt

**Nominal torsion torque:**  
from 955 to 1440 Nm

**Nominal voltage of  
electrical equipment:** 24V

### **SUSPENSION**

pneumatical

### **PASSENGER CAPACITY**

from 100 to 184 persons.

### **BODY TYPE**

carrying, tram composition,  
low-floor

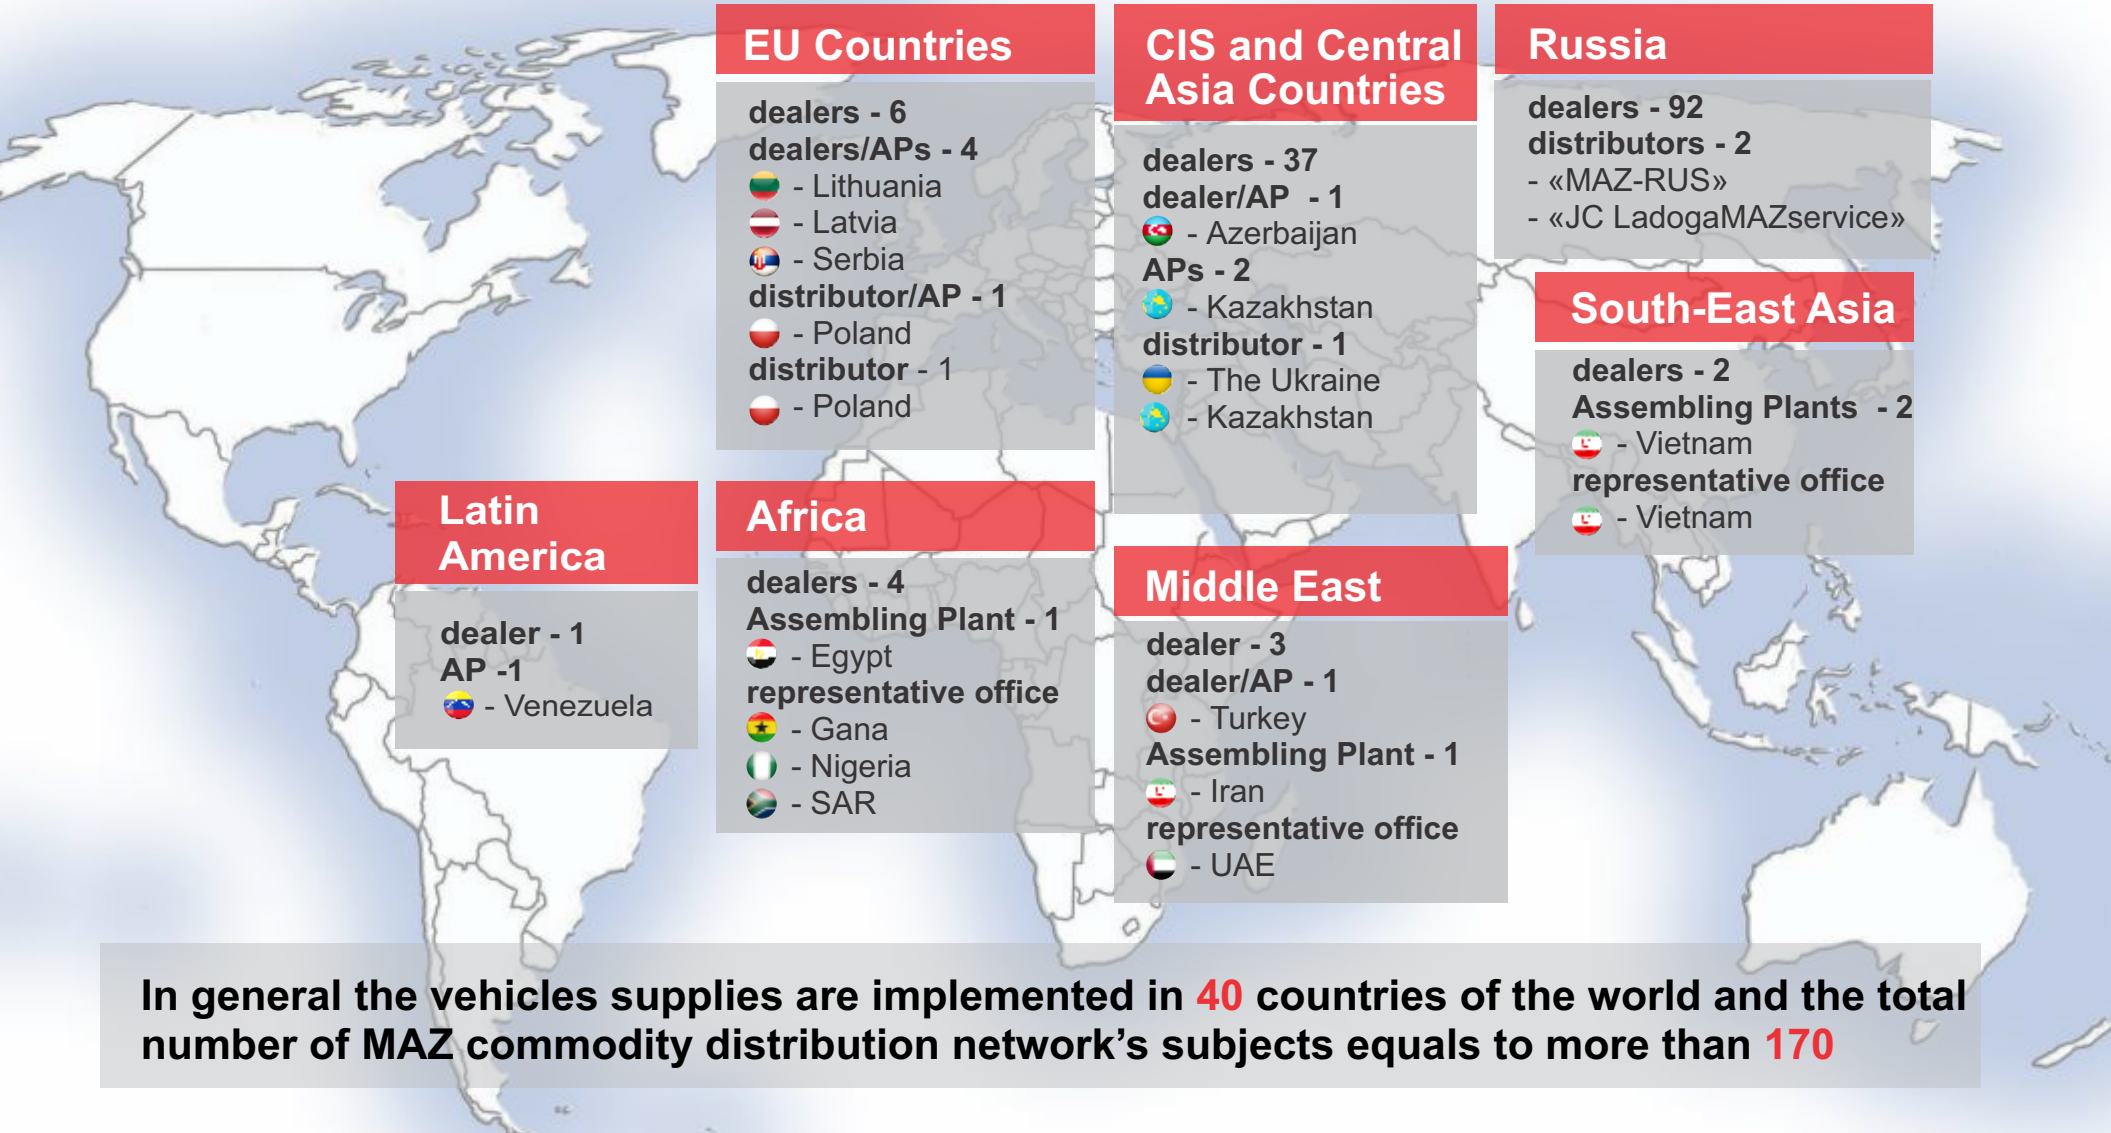

**MAZ 103T**

**MAZ 215T**

# MAZ Commodity Distribution Network

In general the vehicles supplies are implemented in **40** countries of the world and the total number of MAZ commodity distribution network's subjects equals to more than **170**

## MAZ - a managing company of BELAVTOMAZ holding

### Truck Sales Departments:

#### Truck Sales in South-Eastern Asia Region countries

tel. + 375 17 217-95-39

fax + 375 17 273-76-95

[export@maz.by](mailto:export@maz.by)

#### Truck Sales in Arab Region countries

tel. + 375 17 217-93-06

fax + 375 17 217-21-70

[export-east@mail.ru](mailto:export-east@mail.ru)

#### Truck Sales in Central Asia Region countries

tel. + 375 17 217-21-21

fax + 375 17 217-22-38

[maz149@mail.ru](mailto:maz149@mail.ru)

#### Truck Sales in Africa and Latin America countries

tel. + 375 17 217-90-45, +375 17 217-25-02

tel/fax + 375 17 217-21-22
